. Pursuant to an enquiry the services of the petitioner have been terminated. It is the case of the petitioner that the enquiry was by a person who was biased. All these issues can be raised before the Competent Forum against the order of termination.

2. Considering that this will not be fit case for this Court to exercise its extra ordinary jurisdiction. If subsequent to any order passed by the Tribunal the petitioner is not reinstated and is still aggrieved by the present order it will be open to him to challenge the same.

. With the above observations, petition rejected.
